

TAMARACK LODGE AND RESORT

- Located in the wooded hilltops of Mammoth Lakes Basin
- 2,750 square feet of total dedicated meeting space
- Unique, secluded lakeshore setting is beautiful in all seasons

Tamarack Lodge and Resort is highly regarded by outdoor lovers for its timeless beauty and atmosphere. Cross country ski in and out of cabins and lodge rooms in the winter, where they sit perched above the shore of Twin Lakes. Fishing and hiking are popular during summer months. The lobby has the oldest large open stone fireplace remaining in Mammoth. Allow the Lakefront Restaurant to serve a custom-designed menu to your group in the intimate ten-table dining room overlooking the lakes. Hold your summer service or wedding ceremony at the lovely Forest Chapel, tucked in the woods across from the lodge over the Twin Lakes bridge. Built in the 1940s, the chapel features a log frame trellis and log bench seating.
